“ To you all, We are very sorry that we did not see the notice in the paper. I didn't know George died until I was told yesterday by a friend who was told by Paul. We would have been there with you. Your dad, your family, has been a huge part of our lives. We grew up in the same neighborhood all through our school days and beyond. After all us kids moved on our parents stayed. We were fortunate to have grown up in a close knit neighborhood. I'm happy I brought my folks to your parents anniversary party. It brought us all back together again. Our love and prayers to all of you. Missing your dad does make your heart ache, but the memories will make you smile. Mary, Laurie, Sherrie, Rick, Nancie and Greg

“*Dear Norma, Barb, Ken, Vicki & Tom, I wish I could be there, both to grieve and to celebrate George's life with you. I have many fond memories of being teased by, and teasing "Georgie Porgie". I know how hard it is to say, "Good-bye" to someone we love, and release them into God's hands. You all are in my prayers.*

“ *Be Still* Be still like the grass on a melancholy summer day Be still like desert shrub. Be calm and you will hear your loved one speak, in the stillness, in the calm, their love resounds. If you are still this promise I make, you will hear the voice of your loved one helping you along your way. By Lamaretta Simmons

“ To our Dear friend Vicki, your Mom, your family and friends, We expect that your father, husband, grandfather or friend George is, like all angelic Norwegians, enjoying the beautiful fjords of Heaven. No matter when God chooses to take a loved one home, it's always too early for those left behind. May the wonderful memories of him surround you.
