“ I worked with Georgia on CFANS-Extension issues. She would always greet me with "Hello Daaahhling!!" We shared a lot of laughs and she was great to work with--really knew her stuff. We also shared a lot of Milky Way Midnight candy bars which she always kept stocked once she found out I liked them. Many happy memories of her. Rest in Peace, Daaahhling!

“ My deepest condolences to Georgia's family, Al and Nikki especially. Georgia was a lovely spirited spunky lady who would always say she was "Just Ducky!" That was Georgia! I could always count on her to share with me the best travel places and deals, great places to eat and what were the best upcoming movies. I feel so very fortunate to have had the pleasure to work with and supervise her for 13 years. Georgia loved making the most in life, especially making time for family and fun. Thought I would share some "work" photo's of her. My heart is heavy and I'm so very sad to lose this special lady. Rest in peace my dear. Madonna Monette

“ My deepest condolences to your family. I was so fortunate to have worked with Georgia for many years. She was a wonderful co-worker, mentor and friend. Before we would talk 'work', she would always take time to ask about my life and family. A true gem and will be greatly missed. Prayers for your strength and comfort.
