“ Georgia was a nice lady. And I always enjoyed visiting with her when I would see her at Koskie get togethers. I was sorry to hear it when Diane told me of her passing. My condolences to both Georgia's and Norris' families.

“ To share just one moment spent with Georgia, wouldn't ever be enough to describe what a special lady she really was. She came into an already heart broken family because we had lost our very special Grandmother. Georgia came to us as an understanding, very caring woman, who showed us all love at a time when we needed it most! She was the type of woman who would help any one any way she could. Even if it meant just lending some space for a kid and her dog to stay until that kid had enough time to land on her feet. She had a beautiful soul and a caring heart! She will be deeply missed!

“ I'm so sad for all of the family at Georgias passing, most of all my father Norris. She came into our lives after the passing of my mother, when my children were very young, she was a grandmother to them from the first meeting over 20 years ago. I'm so glad I had the opportunity to visit with her very recently and share old memorys from her high school days. We will all miss her veery much
