“ So sorry Auntie Ethel to hear about Uncle Red! I have so many memories of the time I spent with both of you. I remember when I was just a little girl and Uncle Red and I built a bunch of snowmen in the yard at the farm. Took us all afternoon, and then he made some great hot chocolate. How many times did I get lost in the Cities and have to call Red to get where I was going? Remember the time we partied at Grandmas's house in Reynolds and thought she wouldn't back for a couple of days? ...and then we watched her walk into church the next morning? I will miss him so much! Please know I am thinking of you, even though I could not make it up there right now. You and Dan and his family are in our prayers. I will talk to you soon. Love you!
