“ Jerry was a classmate of mine when we were in grade school and also for a couple of years in high school back in Caledonia, Minnesota. A super fellow. My sympathy to all of his family and may he keep his music going with the angels in heaven!

I first met Jerry back in 1983. We worked together a lot over the next 8 years in the entertainment business. I never had an unhappy moment with him. My memories are so joyous and I will always hear his voice in my mind either telling a joke or singing a song. He will be missed so much by so many.

God will be blessed to have you onboard.
