“ Jerry was my first supervisor when I started at Comten in 1978. We worked closely on many things. He knew his stuff and helped me learn, too. I have fond memories of those years. Dorothy and I send our condolences to his family.

“ We would like to send our prayers to Sarah and her family at this difficult time. We didn't have the opportunity to know Sarah's father, but if he is anything like his beautiful daughter, he must have been a wonderful man. Wish we could be there to celebrate his wonderful life, but please know you are all in our thoughts and prayers today, tomorrow and each day ahead. God Bless you all.
