Barbara Rau , retired School Bus Driver - November 27, 2024 at 10:51 AM

*Dr. Jerry McCoy was a very Special Superintendent,he would often stop in at the Transportation Department and greet the Bus Driver, always with a big smile and he could remember everyones name, that sure is a gift. McCoy would take part at the end of the School year, the Bus Drivers Safety Awards Banquet , give them special Recognition. I started to drive the Bus in 1980, the same time when McCoy started and when the High School got build . I took over the years many photos of him and became a good Friend to him. After Retirement he started to paint cards, he surprised me with a box of cards he had painted. For Halloween I wrote him a card, but I think he never got it to read, he passed away October 30,2024. I will miss him dearly , my Sympathy to his Family. I will miss his Christmas letters too.

“ Blessings family, so sad to hear the news of Jerry's passing. When I moved to MN in teh early 90's Jerry was a significant person who helped make the transition easier. He was genuine and caring.
