“ My fondest memory is the cruise we took and all the “surprises” that happened during our cruise! The guys thought they played one over on us for our family picture! Then there was the bird that flew over the ship and all the people there he found Gerry! Oh my gosh, such Memories. We will miss you Gerry!

“ So sorry that I will be unable to attend any service for Jerry. I remember him as a kind and gentle man. He visited the OR to assist the anesthesia personnel with meds he represented. He also visited Jamie G. In his office, who I worked for and was very informative and personable. I remember him as a very kind and generous man.
