“ *My deepest sympathies for your loss ..... I have the fondest of memories from childhood visits to the Sladek house.....strawberries from the garden, ever flowing coffee, and abundant laughter! NO ONE could get my mother to laugh like Jerry could!*

“ *I have so many fond memories of listening to family stories in Bonnie and Jerry's kitchen - our parents talking through clouds of smoke over many cups of coffee--- Jerry softly chuckling while mom howled and Bonnie cackled at the funny family escapades. Most of the time it got to the point where tears were streaming down our faces from laughing so hard.*

*My best to all of the Sladek family. So sorry for your loss. It is hard to say goodbye to those we have loved. I still miss my mom every day.*
