“ My family lived next door to the O'Neill's in Roseville during the 1960-2000s+ and our parents were true friends all those years. I thought we were lucky to be so close, knowing every time we crossed paths we would say hi / wave / or honk the horn to acknowledge each other.  
Mrs. O'Neill, aka Gerry, had a sparkly smile and a great laugh, and I always enjoyed my time with her.  
RIP

“ *My mom Marge Bartho went to St Joes Academy "SJA" girls high school with Gerry - \$60/year at the time, she tells, if we can imagine today. She shared that they had a wonderful relationship as friends after over many many decades, even beyond their husbands. I understand that Gerry was ever so kind and wonderful who loved her children immensely. I remember her myself as a child - her smile, quiet voice, and empathetic caring eyes. Bless her and and her family.*
