“ Dear Rick and family, i am so sorry to hear about your mom passing. I can still remember saying hi to her when i was five years old walking to kindergarten at St. Bonaventure's. She was always very kind and had a great way of making me laugh when we were in high school. Im sorry i never made it back to bloomington to say hello. I hope you are all coping well, she was a wonderful woman and i am glad i knew her. You are all in my thoughts.

“ I don't know how to express the sadness I feel for all of you kids on the passing of your Mom. Our parents had a long, fun filled friendship. We were certainly close knit many years ago. I wish that I could be there to lend my support at this sad time. Know that the last of Kenny and Doris' kids sends loving thoughts to all of you.

“ I am so glad I ran across this. You will not know who I am by name, but I am the daughter of Bill and Beth Carlson, Jean. We lived across the street from you guys in the 1950's..on 27th Avenue. Cheryl might remember my sister, Roberta, and Dougie (as I called him) was close to my age and that's what I called him. I was sorry to see your mom's obituary, but now and I can start thinking of the good ol' times, again.
