“ *My very belated condolences to Geri's family. I have very fond memories of Geri when our family would go up to Birch Lake when I was a little girl. My great aunt, Theresa Glaser, was my grandmother Rose's sister, which made us relatives. My mother Dorothy really enjoyed going to the lake when Geri was there, because they always had fun visiting. And I liked it too because Geri was always so kind to me and very friendly. I thought she looked so glamorous wearing the latest fashions and makeup (which she would let me look at). Great memories of a very nice lady!!!*
