“ Bill & Erik, Gerd and Randi were very special friends for over forty years. I think they had a special bond because Gerd succeeded Randi at the Norwegian Consulate. Bill you have been a faithful caregiver for many years. I'm sorry that I will be unable to attend the service because I have to be with my brother in Baltimore, Md who is in very serious shape after brain surgery eight weeks ago. I'm meeting with his neurosurgeon on Tuesday. Heartfelt condolences to all. Mitch[Mancel T. mitchell, Jr.]
