“ My memory of Gary comes from two sources. First, we counted on Gary to run our video and audio equipment at *THE GATHERING* every Thursday at Grace Church, Eden Prairie. He would always play some inspiring and up lifting music before our Bible Study started. And second, Gary would always request his favorite hymns at the Community Men's Bible Study. The men would wait to hear what hymn Gary would request. We will certainly miss Gary as a friend and a volunte

Peace to his memory,

Harlan
