“ I was so sorry to get the news about Gerry’s passing from a relative of Larry & Gwen Bogan’s this morning. We shared a lot of good times together during our days in Minneapolis when we lived down the hall from each other — almost 50 years ago. I last spoke to him about a year ago, and we talked about a reunion trip with another friend from those days. Sadly, we never took that trip.

RIH, my friend and Frat.

“ Larry and I are heartbroken in the loss of his Omega Psi Phi brother and friend Gerry Williams. We have been friends since our days at CMSU. Gerry even served as an attendant in our wedding. He never missed the opportunity to visit with us whenever he was in St. Louis. We were so blessed to have him in our life. He will be missed. Rest in heaven “G”.

“ *As the only boy in a family with 3 sisters Gerry had his hands full growing up. His sisters loved him dearly. His mother would boast about all Gerry's accomplishments. Anytime his mother needed something though, he would be there to make sure it was taken care of for her.*

Dear cousin you are going to be sincerely missed.
