“ Please accept my condolences on the death of Gil. Mary's father, Al, was my mother's brother. My mother was Regina Hohmann. I can still remember Al, Vera, Pat, Mike, and Mary visiting my home in Waite Park. I remember when Mary and Gil married but after that I lost touch with the family. Except for Vera's funeral. I hope your memories and photos and family will be a comfort to you. Judy (Litzinger)Kipka
