“ We are sending our sincere condolences to you Karyn, your brothers and families. Explaining who we are may help you connect with our msg. I worked for your dad for 15 years as his secretary at Munsingwear and he became such a good friend to both of us, staying in touch with us even as late as Nov. 2015 when he helped our son Randy connect with Nattapong in Bangkok. He told us via email that he had cancer and decided to not have chemo. We met so many people worldwide through your dad and everyone always said so many great things about him. Please touch base with us so we can keep in touch on his behalf.

He will be missed.
