“ To Gina's family:  
*I did not know Gina personally, and yet I feel as if I did. As a Midwest parent, I can't count the number of times I watched her practice her beam routine from the parents' lounge. Somehow she always attracted my attention--her cheerful demeanor, her high level of concentration, the beauty of the skills she executed. My daughter Grace remembers her well. We are so sorry for your tragic loss. You have been in our prayers and we hope that somehow knowing that she touched so many lives will help you heal.*
