“ *Glady always encouraged me to call her "Princess." She was always full of fun. When I was young, we shared Thanksgiving dinner with Glady & Bob every year for many years alternating locations between our home and theirs. This is a great loss.*

*Julie,
I am so sorry for your loss. How are the boys? I know they sure enjoyed spending time with your mom out at your farm. I would love to attend the services. It has been so long since I have seen you or the boys. I have commitments that won't allow me to be there, but you are in my prayers.
love,
Jess*
