“ Dear members of Harvey and Gladys's family: I was so saddened to receive the call from Joe about your wonderful mother. But thank you so much for calling and staying connected! Gladys was so loved by all. My mother thought she was an angel. Gladys quietly lit up the room with her smile, goodness , generosity , her love of Harvey, her children, grandchildren and all of her extend Hartung family and her God. The Wollf children (Jenise, Susanne, and Phil) send our love and prayers to your family. We are so grateful that Joe and Barb have stayed in touch with us and loved getting your Christmas crds and letters. Joe said that Gladys was 91 and often said that she won the lottery in terms of age. Yes, I think we we have all been gifted with such an amazing mom, aunt, grandmother, and friend in Gladys. Prayers today for all the Hartungs and for the newest angel, Gladys, who joins her husband and all the immediate hurting siblings. I'm sure they are all having a great time together!

“ Aunt Gladys was surely a delight to know and visit. Her smile and positive energy was wonderful. She often made me laugh and was very welcoming in every way. She and Uncle Harvey raised a fine family that she was very proud of. You all are in my thoughts and prayers.

“ Gladys was a one of a kind woman, lady, friend, mom, grandma and as her kiddos will tell you....A SAINT! She truly did have a heart of gold! I feel so blessed, coming from a much smaller family to have been welcomed in this wonderful family! Gladys was the one that made all of us "outlaws" feel welcome! When she hugged you it was with her whole being. I would usually have to dig the backs of my earrings out of my head because she hugged SO HARD! I will miss her sweetness and kindness. RIP Gladys!!!! You will be missed!
Love, D

“ Wishing the Harvey & Gladys Hartung family much peace during this trying time. Aunt Gladys was indeed a Saint. Though we didn't get to see her often, her spirit and smile always glowed around her when we did. A truly happy and spiritual woman. Our memories of her will be with us forever. God Bless. Jim & Karen.

“ I miss you mom. I know you are pain free now and Joe keeps telling me you are now in a place you worked your whole life to get to. I will never forget our lunches we shared together everyday. It was not the food I enjoyed it was the time I was able to spend with you.
