“ I was just made aware of the passing of Mrs. H. Mrs. H and I were co-workers for many years in the Mpls Public School system. Many of the days were hard, but she always made them better. She was one of the kindest people I have known.

“ This is Paul Anderson writing to say that I am so sorry to see that my Cousin has passed away. I just Googled her name and the Obituary came up. We live in Huntington Beach, Calif and would usually stop to see her when visiting Minneapolis. I have many good memories of Herman and Gladys. My Dad, Melvin Anderson was Olga's brother. We lived in Peever, SD and often visited that family many times over the years in Mpls and in Starbuck for reunions. Jack would often spend time at Aunt Tillie's farm in the summer. I will miss her smiling face and happy personality.

“ I remember having the best of times running around with my sister Sheri and cousins Kraig and Kris when we were young at Gladys and Herman's house. Such fun, everyone having fun....as I got older Gladys would accompany my Dad, David Pederson, to special events after my mom (Phyllis) died, spreading peace to him. Gladys met my wife Kelly and Kelly fell in love with her humor. Gladys you touched many....and will always be loved and thought of. RIP great auntie Gladys. Peace and love to family. “ Fond memories of Gladys. The Huber's were nice and let me tag along to her house and go to the school carnival. Never did win a cake on the cake walk, but had fun with Margie, Mark, Cheryl and Bonnie. Also visited Nanny and Bumpy. As an adult it was always nice to be around Gladys. She lived a long, good life but it doesn't make it any easier to say Goodbye. My sympathy goes out to Cheryl, Bonnie and their families and to her nieces/nephews. Rest in peace Gladys.

“ Gladys was always happy to have visitors. I would try to stop over when I went to my eye doctor as it was just a few blocks away. She enjoyed some of the Reality shows like Dancing with the Stars and I would watch them with her while we talked about Herman and Johnnie my dad (Eddie) and some of their escapades when they were younger. We would go out for Chinese on occasion. Later when her knees got bad I brought take out to share with her. I am going to miss her.

“ I loved my Auntie Gladys! Many good memories spent with her and family over the years, at both her homes in Minneapolis. When she and her sisters got together, what a hoot they were! Gladys lived a good and long life, blessed be her memory. Love and peace to all. Nancy Christensen
