“ I have such fond memories of you. From being Vince's cool mom, to seeing you every day at Henry. George was my choir teacher and I know he adored you! Who didn't? You were so sweet and had a huge heart. I'm sorry I just learned of your passing. Fly high, beautiful angel.

“ My Mom gave me life, love and support my entire life and her love was unconditional. My mother's love can never be truly measured and will never be forgotten by me. Mom's Renolette-family "can do" attitude was passed down to me and now my sons, and shared with others we meet daily. I want to thank George for all he's given to Mom in support and love over these past decades in their relationship. George's support and contributions in my mom's life, to me, my wife and our two Sons, will always be remembered and we will be forever indebted to George for his love of my Mother and our family. We all are recipients of Mom's energy and love of life and we can carry her spirit with us always. Mom's sitting in the presence of our Lord and in the company of our beloved family that passed before her. Put your prettiest hat on, Mom, and "shake" a leg up there. Your forever loving son, Vince

“ George, You were one of Gladys' guardian angels. You were always there for her when she needed you right up until the end. We know you are going to miss her, but remember she is in a better place now, and it's her turn to be one of your guardian angels. Both of you will still be in our prayers. Love, Harold and Kathy
