“ *Hold on to the memories, for they will always remain with you. Hold on the times you shared. I am so sorry for your loss. Glenn was a wonderful man and I enjoyed working with him. I enjoyed hearing the stories of his family and his car. You could tell by the way he spoke of them how much he loved them. He will be greatly missed here at BSC.*

“ *I/we honestly couldn't feel more blessed to have called Glen my/our friend (really more like family!!!!!!). A man with so much knowledge that you could learn something new all the time. The endless hours of cards, in which tears of laughter shed oh so often, the trips filled with such wonderful memories and again many laughs!!! The fishing and fires. I/we will cherish each and every moment forever! To my best friend Sue, I/we are so sorry for your loss of your best friend the words just aren't enough! I/we will ALWAYS be there for you and thanks for letting me/us be there for you. To Shelly & Erik I/we are so so sorry for the loss of your dad! You both made him very proud! I/we will ALWAYS be there for you as well. Thank you all for making us part of your family!*

To Glen until we meet again- thank you for being you!

All our love!!!
