“ *I met Glenn when I worked at Active Generations. He and Barb were very active and supportive members, always with a smile and kind hello. I use one of their wool blankets every winter in my car that they donated to the summer rummage sale and it always brings fond memories. I extend my heartfelt condolences to his loving family. “ *I hiked with Glenn and Barb for many years with the hiking club at Active Generations. He was one of the nicest people I ever met. He will be missed by many.*
