“ I will be forever grateful to Glenn & Shirley for opening the door for me to meet my Retter Family relatives. Glenn & Shirley were going to be in Anaheim, CA for one of Glenn's a cappella competitions located very close to my home, so I went.

*The performances were incredible.*

*It was due to this initial meeting that I traveled to Iowa in the summer of 2010 to a family reunion and met my Retter relatives.*

*Glenn, Shirley, and I stayed at the same hotel. During breakfast over the next few days, we ate at the hotel where they had a self-serve waffle iron.*

*Glenn must have really looked forward to having waffles for breakfast, the way he said the word “waffles” and the joy on his face priceless.*

*Rest in Peace Uncle Glenn.*

*Warmest regards and my deepest sympathies to Shirley and the rest of the family,*

*Erin Retter*
