“ I was a student in Ms. Aronson history class in the mid 1970's. She was one of the greatest teachers I had ever had in my life. She is one of the reasons that I myself ultimately became a teacher myself for 34 years. I still remember when her twin sister taught her class and fooled all of us thinking that it was Gloria. Her smile was warm and welcoming, and it was easy to see how much she truly loved teaching. Rest in Peace you wonderful women. Your family should be so very proud of how you lived your life!
