“ Linda and Bob our condolences on the death of your Mother. She had such a beautiful spirit. I have so many wonderful memories of times our families have been together. I remember when I was younger how excited I would get to know you were coming to visit.

I recall the time when "mom" and Margie and Harold brought me along to Wichita for a visit without my family. I don't know where everyone else was but I was watching Aunt Gloria do her nails. I remember that to this day, it was just a special time between her and me.

All the holidays, vacations and visits with her and your family are moments I will always treasure.

Our thoughts are with all of you at this time.

Love, Jane and Al
