“ Sean and Brian, You probably don't remember me but I came to know your mother when she and Larry lived on Waukenabo Lake. I saw her at Aicota when we played there on Veteran's Day. I stopped and spent time visiting her about week later and then I didn't get there again until Dec 10th and couldn't believe that I couldn't even visit with her and had to say goodbye. (I hope you enjoyed the fudge I brought to her) I bought her book and now am going to have a great grandchild to give it to. God bless you both. Muriel Kingsley
