“ I was so sorry to hear of Aunt Gloria's passing. Although I had only met her once, I immediately liked her. Gloria was very down-to-earth and a friendly, loving person. It was as if I had known her for a long time. She was already having serious health issues then but she didn't let on. I'll miss her very much but I'm glad she's in heaven now, free of any pain.

“ We were so sorry to hear of the loss of our Cousin Gloria. I hadn't seen her very often after we had all left the Kidder area. She had taken the time to send us a Christmas Card earlier this month.

“ I so loved sisters laugh. She always told it like she saw it. I remember visiting her in mpls over the years as I was growing up. I think she secretly loved my husband, mike, they so enjoyed talking together. I am so thankful she knew Jesus as her friend and Savior

“Gloria, I felt so bad when I heard that you had left this world, but know that you were so happy when you grabbed Jesus' hand and he led to into His' Father' kingdom. Now you have complete freedom from all of the world' burdens and are reunited with your loved ones. Until we meet again in perfection, please pray for all of us. Love from your Sharon (your neice) and her husband, Victor.

“Gloria, You are one of only a few memorable people that I'll always remember working with at Valspar. I'll never forget a t-shirt you wore that said "I'm not fat, I'm fluffy." I use that quote all the time. You were a great person to know. You will be missed.
