“ I'm sorry I didn't come across this until now. My sincerest condolences to Norm, John, Glorian Jr, Jeannie and the rest of the family. Glorian Sr touched my life in countless ways during my teenage years and into my 20's. Her kind, sweet spirit and loving nature helped see me through several years of turmoil in my family. For a number of years, I spent more time at the Sorensen's than my own home. Glorian always welcomed me, and made sure I felt like part of the family. The spirit of this lovely woman will live on in those whose lives she touched. There were many.

Sincerely,  
Teri Shuraleff

“ Hello, Glorian, This is Melody "Barnett" (now Villars), your childhood friend from Edina Baptist Church. I was sorry to see your mother's obituary in the paper. I have such fond memories of spending time at your house across from Southwest High. We had such fun. Your parents always made me feel at home. (Remember when we would play dress up?) I see that you are a doctor at Harvard! But you don't look that different than when I knew you over 50 years ago. My condolences to you and your family. (My dad passed away July 2012. He had Alzheimer's. I still miss him.)
