“ We were shocked to hear of Gordy's passing as we had just talked to him a couple day before he passed. We could tell he was depressed and lonely but didn't feel he would be checking out. Our sympathies are with the whole family. He and Judy were our best friends both in MN: and AZ. They got us started in AZ and showed us all around before we bought. We celebrated many anniversaries together. We will miss them...
We hold up the whole family in prayer for support, comfort, wisdom, guidance and peace. We love you all. Don and Violet
