“ Dear Jeff and family, You may or may not remember me, my name is Angie Quick and I used to work at the front desk of the Apple Valley Health Care Center a few years ago. During my time there I got to know Gordon (and many of you) very well. You were one of the most special families to me and I am so thankful for the time I was able to spend with you all, I feel truly blessed to have had the opportunity to meet you all. I'll never forget Gordon's smile! He was an amazing man and his memories will live on forever. I know he's smiling down on us all right now! My condolences to you all; please know I am thinking of you during this difficult time. ~All my love,
Angie Quick
