“ *Mama was a wonderful, Godly mother. She had a great deal of patience and love for us all. She worked hard raising 6 children and prayed a lot as you can imagine! I am grateful that we saw her reading her bible every day and she encouraged us to do our Sunday School lessons and memorize our verses. When we were older we went to prayer meetings. When I didn't have a car, Mom and Dad drove me and my children to church. I can't express how thankful I am to have had such Godly Parents!*

“ *Dear Cousins, I was saddened to hear of you mom's homegoing. She is rejoicing with all who have gone before her. I have not seen my Aunt Grace much since we moved from the Mpls. area but I remember her smiling face and kindness. She certainly had a testimony for the Lord and that is the greatest legacy she can leave you. You are in our prayers in the days to come.*

“ *My Mother was the most kindest, thoughtful person, always so forgiving when we did wrong, and I know I did a lot of wrong, but she still loved me and for gave me. J love her very much, and knowing I will see her again in heaven. I am so thankful her and Dad and my brother were able to make it to see me graduate from College back in 1997, I am now a Certified Medical Assistant, she was very proud of me. Today I am working two jobs. I have and will Always remember my Mother and Father, and my growing up years with them. I love you Mom, see you soon in heaven when the Lord comes again.*
