“ *Grace was a good friend! We loved her! Her earthly journey has been a long one, but as we all know the last part of it has been very hard. We are glad for the moment she closed her eyes to this chapter and opened them to a new and glorious chapter, the last and eternal one with the Saviour she loved and served. Her memory is blessed to us!*

“ Dear Don, Carol, Marge and Families,

We were so blessed to have your parents as next door neighbors for many years! As we think about Grace, her love for the Lord, her family, and the Twins and Viking teams were evident and fun to discuss over a cup of coffee.

We have so many wonderful memories of Grace. She will be missed greatly, however, we know Grace is "home", free of pain and singing her favorite hymns.

May you feel the strength and peace only God can give during these difficult days.

“ Grace was a friend and a treasured member of our fellowship at Oak Haven Church. Even though she was unable to actively participate in recent months she was always remembered and prayed for. The contributions she made to our fellowship have been many over the years as she shared her wisdom and her love for our Lord. We send you our sympathy in your loss which is also ours, but we also rejoice with you that her struggles in this life are over and she is spending Christmas(and eternity) with Jesus.
