

Grace Darling Langen

October 1, 1925 - October 19, 2017

Grace Darling Langen was a loving wife and mother. She was a loving and loyal wife to Larry for 64 years. They had 5 children together: Larry Thomas, Cindy, Les, Nancy and Bill. Grace's family was her number one priority. She stayed at home with her children until they were in school. Then she worked at St. Louis Park School as a health aid. Grace enjoyed playing Bridge, Canasta and reading. She was an active member in the Eastern Star, volunteered at Paynesville Senior Manor and was a Cub Scout Leader. In retirement, Grace spent time at her lovely home on Lake Koronis and winters in Clearwater, Florida with her loving husband, Larry.

Losing our Mother is much like walking through a dark storm. We now must remember there will be moments of light and reprieve. After a time the sun will shine again. Her physical death will not take her as far away as we might imagine. Grace, our dear Mother, will truly be missed even though she lives on in our hearts.

“ We enjoyed our visits with Grace and will always remember how she loved music and loved to sing. She always looked forward to singing "You are my sunshine " with Jimmy.
