“ *Grace my friend, having your presence on the bus always made me smile. Even when it was getting tougher for you . You still found the strength to get on. The lift wasn't so bad was it. Kind of like a carnival ride. May your new found wings lift you to even greater heights. My condolences to the Partyka family.*

I really enjoyed our last visit I was going to visit again the day you left. But you had a appointment you needed to get to without the bus. Keep a eye on us and keep us safe.

“ Gerry, Frank, and Bob,

So very sorry to hear of the passing of dear Grace, your much loved mom. Her heart was huge, and she was always so warm and welcoming to everyone. So glad we were able to see her at Gene's funeral in November. Know that she will be deeply missed by many.

We'd be at the funeral if we could, but due to the COVID-19 risk, we are staying home. So, our hugs will have to be virtual for all of you, but know that you and your families are in our minds and hearts and prayers. Take care,

Mary and Jim Walus
