“ Dear Edrie and Sean, We are so sad to hear that Greg has passed away. We have good memories of times with Greg, basket ball games, and video games. He was a good example of a loving and involved Dad. The world needs more people like Greg and he will be missed. We send our deepest sympathy.

Thanks Becky. I have fond memories of your family too, especially visits by Andy who by the way is very impressive these days. But I will always remember him as the little boy who was almost sucked into a black hole in a little movie I made about black holes when he was probably 10. And I will never forget the blues concert we went together to at the Fitzgerald.

“ I am sorry that I was not able to attend the "Celebration of Life" service. Greg will be missed. I have enjoyed his competitive spirit and dry humor during our Friday night card games over ZOOM- he was a very aggressive Hearts player and I learned a lot about Hearts strategy from him! My thoughts are with you during this difficult time.
