

## Gregg H. Magnuson

June 21, 2015

Magnuson, Gregg H., age 53, of Savage, died suddenly at home on June 21, 2015, of a heart attack. He is preceded in death by sons, Alexander and Tyler; and dad, George. Survived by wife, Mary; children, Marisa and Tanner; mom, Margie; sisters, Deb Magnuson (Kim Bergman), Denise Clark (Steve), and Donna Havey (Gary); parents-in-law, Arthur and Julie Willems, sisters-in-law, Judy Carty (Mike), Linda Werlich (John), Patti James, and brother-in-law Mark Willems (Mary); many nieces, nephews, cousins, and close friends.

Gregg was born on August 23, 1961, in Minneapolis, MN, to George and Margie (Lindstrom) Magnuson. He graduated from Minnesota State University-Moorehead, and enjoyed a long career with Skyline Displays Midwest. He married Mary Willems on November 6, 1993, and they had four children together, Alexander, Marisa, Tyler and Tanner. Gregg was a proud father who adored his children and will be greatly missed by his friends, family, and all who knew him. In addition to spending time with his family, Gregg enjoyed fishing and golfing with friends, and sharing stories and a smile with everyone. While we are extremely sad and will miss him dearly, we are comforted knowing he is with his boys, Alex and Tyler.

A service will be held on Sunday, June 28, at Christ the King Lutheran Church (8600 Fremont Ave., S, Bloomington, MN) at 2 pm, officiated by Pastor Hans Lee, with a visitation beginning at 12pm. A Reception to follow. In lieu of flowers, memorials are preferred.

“ I just learned of Gregg's death, and am profoundly sad to see such a great person gone. I've had the opportunity to work with Gregg in a professional capacity across many years, and he remains among the warmest, most upbeat individuals it's been my privilege to know. A consummate professional, he was clearly incredibly proud of his family, and always made a point of connecting with others on a personal level.  
Please accept my sincere condolences at the loss of such a terrific man.

“ *Mary and kids, I am so sorry for your loss. There are no words. He was so diligent about being the best husband and father that he could possibly be. I worked at Skyline in Eagan and if I was near the front desk and he was there I stayed just to listen to the latest of what was happening in his world. I was going through bad times later on and I waited for every post he added to Tyler's caring bridge site. He became my hero and will ever be. I will never forget Gregg and my prayers will be with you. Your family couldn't have a better advocate in heaven.*

“ I spent more time with Gregg in his childhood on our visits to Minnesota from Washington. What I remember most was his big eyes and long eye lashes. I am so saddened by his sudden death and hope his family finds strength in their faith. Thank you Denise for the post. Gregg's loss reminds us that we always need to be current with letting family and friends know that we love them.

“ So very sad to hear this news. We grew up with the Magnusons, and although I was older, he was the little brother to Debbie, Denise and Donna and we all played together. When I think of Gregg, I see his long eyelashes and smile as a young boy. It was a happy neighborhood to grow up in and Gregg and his sisters were a big part of that. My condolences to all of your family.
