“ Dearest Gregg,
Thought it best to come here to talk with you. Been awhile, just wasn't sure how it will turn out. It's our Children.... They are having such a difficult time with you being in heaven. Near everyday I message Our Children some sort of reasoning and uplifting messages, in hope that it may help them from being apart from you. You truly are a Wonderful Great Father for your children still cry for you. Feel free to send me your thoughts and I will share them with Our Children. Your absence has truly been hard on so very many but not near as hard as it has been for your Children. Talk to them, Visit them. As they do you. Jessy & Justin Love and miss you so much, as I do also. We Love you Dearly. Until we meet again..... Sandy Orloff Nicholson

“ Dear Justin and Victoria My heart aches to the recent news. I am saddened to your dads passing. I too lost my mother last year and the pain comes and goes. Specially during the holidays. Last year, I was at Indian Wells trying to find comfort. And heard a Native American discuss death to me. He said. You mother is not dead she is in your heart! Everytime you do her work. She will rejoice and your pain will be gone... I will pray for you guys and offer a mass for your Dad. My sincerest sympathy on your loss.

“ Dear Orloff family, I am so very sorry for your loss. I am just hearing of his passing today Oct.2 Funny thing is I'd been thinking of giving him a call for the last couple weeks and today as I was going to call the news was on about an accident in the same place and they said Gregg Orloff was victim from August. I thought I heard wrong. My heart is hurting...I will always remember the fun we had and meeting all of you at Christmas those years ago. Thank you for letting me be a part of his life. Jessie, you were his girl ! He loved you with his whole being. He never stopped talking about you and the boys...his heart. I am so sorry. Much love to you all. Anne

“ For my Children, Jessy & Justin,

I am so very saddened for you both for the loss of your Father, I know your father was a great Dad and I could see how much he loved you both and especially his grandsons.

I can tell you both that the very best way to mark his passing is by filling your mind with all of the wonderful memories you both have of happier times.

"I hope it comforts you both to know that your grief is shared by all of us who knew your dad. He was a wonderful man, dad, grandfather and friend, he will be sorely missed."

He was one man I knew who lived his life to the fullest. He was a great man who left an incredible legacy. May all the beautiful memories that you shared together give you comfort and peace at this difficult period. Please accept my sincerest condolences. You both will be in my prayers.

Love, Mom

“ We were shocked and saddened to hear of Gregg's passing. Debbie and I still remember sitting across from Gregg at a dinner in Las Vegas for Tim and Dawn's wedding. We spoke about a summer party back in White Bear Lake that had Grandpa Ettinger visiting. I had thrown a frisbee to Gregg that went wayward and nearly hit Grandpa Ettinger in the back of his head. Gregg had jumped to intercept it just at the last minute. We both put the frisbee away for the duration of the visit.

Our thoughts are with you and your family, you will be dearly missed.

“ Jessy and Justin I am so very sorry for the of your father. I know we are all devastated. So thankful I got to sit and talk with him not only 11 hours earlier. You're right he did what he always lived...driving truck. RIP Gregg. With all my love, Carlene

“ Dad, you were my hero, my best friend, my voice of reason, my world traveling partner. You were the best grandfather in the world. You loved us so unconditionally. I don't know how to function without you. God I miss our phone calls every morning and night. I'd give anything to see you, smell you, touch you. The only thing getting me through this is the thought that you are no longer in pain. You are standing up tall and straight in Heaven and that gives my heart a little peace. I love you and miss you so much daddy. Love your little girl ❤️

“ It is hard to loose a sibling and Gregg is the first of the 7 of us. It happened so quickly that I have not had time to mentally and emotional wrap around it all. I love you Gregg and I am glad you are finally pain free. Take care of everyone up there.
