“ *A few things I will remember about Greg:*

- Greg made you feel welcomed with his big smile. He was glad to see you. He was interested in you as a person.*
- Greg did kind deeds. For example, he looked after his neighbors when they were in failing health.*
- Greg would go to funerals to offer his support, even to people he hadn't seen for years, like my father when he died a couple years ago. Greg shared his faith by being present.*

*I am so sad that we just heard of Gregs passing. Jeff and I really enjoyed his company. He was so kind and genuine . I can always remember him speaking about Taylor and showing photos. He was a proud Dad. We send our deepest sympathy. May He rest in piece.*
