

## Gregory Charles Merchant

November 30, 1962 - April 11, 2026

Greg "Scooter" Merchant passed away on April 11th , 2026, surrounded by friends and family. His last moments were a bit crowded, and certainly chaotic, but full of so much love. .

Born November 30, 1963, Scooter lived all but 6 months of his life in Minnesota. Over the course of 62 years, he never once met a stranger; he could talk about anything with anyone. He was full of opinions, passionate to a fault, and never afraid to stand up for what he believed in (even if it got him in trouble!). One of Scooter's greatest loves were hunting and fishing, spending as many hours as possible in the woods, on the lake or at the shoreline.

When talking about Scooter's life, one would be remiss not to mention the integral role that motorcycles played in it. With an appreciation for all things with wheels, Scooter's greatest love was riding his bike and the clubs he joined to share that feeling. He was presented with his patch for the El Forastero Motor Cycle Club soon before passing in an act of kindness and honor. It was a fitting way to end his life.

Scooter's family included his father and stepmother, Louis and Joyce Merchant; his brother and sister-in-law John and Holli Merchant; several step siblings; and his niece, Shelby Merchant, who was his favorite. He was preceded in death by his Mother Sally.
