“Katie, John and Tim, Your dad was a very special person, he always made you feel good when you talked with him. My memories as a youngster of Uncle Greg and that one and only voice of his...I can still hear it...will never fade. You are all very lucky to have had him in your lives for so many years. “ Dear John, Tim and Katie, sincere condolences for the passing of your dad. He was a funny man. I have fond memories back in the Rogers Drive neighborhood of your Dad throwing us kids up in the air into the water down at your beach, the A Frame warming house, Smokey's corral and Ladybugs and Dakonya's A frame barn. He also drove us to Cedar Hills skiing. This thought always gave me comfort after my parent passed - They are not gone - just gone ahead. He is with your mom now....

“ Please accept my condolences on the loss of your father Greg. I think of both of your parents when I retell the story of them coming in to buy a car many years ago. It is a great story which I will be happy to share with you and I will always remember them fondly. My thoughts are with you during this difficult time.

“ *John, Tim and Katie: I have met all three of you years ago while working with Greg and Suzie as a Realtor listing and selling Greg's houses. Greg, Suzie and I always had many hearty laughs. I always enjoyed them, business wise as well as personally. I could always count on them to be "straight shooters". I am away for the winter so will not be able to attend the service but I send my thoughts of condolence to you all. Sincerely, Sally Shultz..Wayzata/Florida*
