“ Greg and I go back to middle school. Kept in touch ever since up to about a month before his passing. Did a lot of things over the years - golfing, tennis, racquetball, ice fishing on Medicine Lake, and over the last few years, had lunch together several times. We go back 60+ years. Will miss his companionship.

“ Greg was my cousin. He was a gentle soul. Always kind, great listener and interested in your life. Hard to loose someone so good. I did not see him often but when I did it was like no time had passed. I am so sorry for my Schwebach cousins loss. I will pray for you and him at this difficult time

“ Greg was a Cousin, Friend and a very kind and caring person. He always made a point to visit with everyone at a family gathering and was honestly interested in me and my family. Greg was a fan of the Lady Gophers basketball team when Ellen was playing and we would see him at many of her games!  
We will miss him and his kind soul. Rest in peace dear Cousin.
