“ Dear Derryl, Kelly, Rachel, Ashley, Breanna, Dylan & Juan, I am so sorry that we have lost to Greta. She was much too young and full of life to leave so soon. I also feel so sad that because of the COVID VIRUS and my bad immune system, that I was not able to say goodbye to Greta and didn't get to hug and love you all at this terribly sad time. Greta was such a special niece to me. She was always bubbly and fun to be around, full of jokes and humor. I'm thinking and remembering our memories in my heart and they will always be there. I'm holding each and every one of you in my heart and love you all.

“ Greta you were the best thing that could have happened to me. You made my life worth living. As a single mother of 2 girls you did not hesitate for even one second about taking me in and raising me like your own. I am still in disbelief that your gone. I remember doing fun things with you, no matter what we were always laughing. I miss you more than words can say, Even though I can't see your face I can feel you near. I love you very much

My boyfriend, Marty Gaines, and I spent last New Year's Eve with Greta and Derryl at Two Stooges listening and dancing to Jonah and the Whales. We had a wonderful dinner and really enjoyed each other's company. Greta will be sorely missed. Here is the photo from that night.

“ My sister, was supportive of me. I looked up to her in a lot of ways. I remember she would call me sometimes and ask if I want to go to Goodwill (her FAVORITE store). ONE of my other favorite memories is Laughlin NV. I hope when I see you again we can go to all the goodwill stores and more vacations. Until I see you again 🥰
