“ Rembering my over 60 years of being with you and your family for Thanksgiving.. Even this year but I had concerns for your health and I guess I can see why now that you left so soon after. Thoughgs and prayers to Bill and Kareen. We will all miss her. Only us three left of the original 20+ people from Thanksgiving gaterings started on Dupont Ave. A lot of fun and sad times through those years. I know that Soren, Frances, and Monica will miss her visits also. Peace, Shurley Lofgren
