“ Dear Lichy family,  
We don't know each other but I know the grief and pain this enemy death brings for I felt it when it took my entire family and I hope you'll accept my deep sorrow and regrets for your loss at this time and I wanted to share where I found comfort and hope at that time. It was in what Jehovah Gods word says at John5:28,29 there Jesus states that we'll see our love ones again and this helps me get through each day and I truly hope this will help you in some way also because this is my purpose in sharing this with you. Please know I do share your grief. Sincerely,GM
