“ Swede and Orville (Reuters Mfg) taught me how to be a (real) machinist while I worked for him in the (Innovex) Model Shop! I am deeply saddened to hear he is gone. Currently, I am looking to purchase a Bridgeport Milling Machine for my Mtkka home workshop; and was searching for his friendly advice. Nonetheless, I promise you ole friend (Swede), your legend WILL drive forward with my skill. Both Orville and Swede are now gone. The real Craftsmen of the Trade. I can't hold back the tears...
