“ Dr. Hallie was a sharp dresser. I remember at the Chicago Annual Conference back in 2006 she and I bought a Halo Hat from one of the vendors. She bought the red one and I bought the white one. She strutted in that night with that sharp red hat on. I told her you are looking good sister and she winked and said I know. I am so thankful that I had an opportunity to spend some time with Rev. Noah and Dr. Hallie Smith. Two lovely people that were genuine and loved the church. They will be missed. So glad that she made it to our last Annual Conference in 2015. Family she was a jewel that you should forever cherish in your heart, I know I will. Sister Hallie I wish I could strut in those high heels the way you did. You put me to shame. Will miss you my sister but God needed you to fill his beautiful garden.

God Bless, Maxine Tisdale, Payne Memorial -Waterloo, IA.

“ I remember the exciting plays that Sister Hallie wrote - always having Rev. Smith make the drawings for the programs and backgrounds for the plays. I followed Sister Hallie as Chicago Conference Branch Women's Missionary Society President. She was always helpful, encouraging and supportive. Many times we were roommates at Quadrennial Conventions, and in one of her recent trips to Chicago, she stayed in my home. I will truly miss her physical presence, but I will forever remember her spirit.

*Lovingly,
