“ I remember Harland and his wife coming to my high school graduation in 1973 in Benson and being so very moved by them driving so far to attend. When I worked in Minneapolis in the mid 1970s I visited them at their home. I especially enjoyed his stories about visiting Norway. Dad always enjoyed his visits.

“ I have known Harland for over 40 years. We used to car-pool to Unisys together back in the 70's. We had a good time working in Program Financial Control. I last visited with Harland a year ago at our finance luncheon. Harland (a fellow North Dakotan), a good man, he will be missed.
