“ Harland was a very compassionate, loving and giving soul. He was my 2nd cousin. We both loved driving a truck and had the opportunity to meet up on the road in Arizona. We often would visit at my grandmother's house on the lake. I have very many fond memories of those visits and with his children and his wife also. My heart goes out to you all and my thoughts and prayers are with you. My husband and I wish to give our condolences and let you know we are praying for all of you.
All my love your cousin Kimberly Ayala

“ I have so many memories of Harland, his smile and hugs were always some of my favorite. He is very dear to me. I've know him since I was a baby. He was my daughter's God father and walked me down the isle. I remember looking forward to them coming up to the resort, he has a big part of my heart, carol please get a hold of me. You are in my prayers and love you

“ I fondly remember Harland coming to our farm in Buffalo for hunting with Richard. Carol, you would spend time with Betty. I was just a kid, and looked forward to these visits, as you were both so fun to be around. Sending our sympathies to you Carol, and to your whole family.
